

# Call for Pastor-Teacher

Wichita Falls Bible Church ([wfbible.org](http://wfbible.org)) is a small (~50) local body of believers in North Texas and we eagerly desire a Pastor-Teacher who is searching for a flock.

We are looking for a leader who will use exegetical, categorical, isagogic, and hermeneutical processes to study and teach sound Bible Doctrine from the original languages of the Christian scriptures to our local body of believers in the Lord Jesus Christ, until we all "...have attained the goal because of the consistency of the doctrine and the *epignosis* of the Son of God, with reference to a mature nobleman to the standard of the maturity which belongs to the fullness of the Christ." (Ephesians 4:13)

## Requirements of the office

- Understand and possess the gift of Pastor-Teacher (Ephesians 4:11)
- Be willing to communicate face-to-face consistently and regularly to the assembled body of believers (Ephesians 4:12 ff, Hebrews 10:25)
- Be academically qualified to study and teach from the original languages:
  - Proficient in Greek and Hebrew;
  - Use the literal, grammatical, historical approach;
  - Follow the rules of Hermeneutics.

## Answering the call

If you meet the above requirements and are interested in this position, we are ready to "receive the Word with total readiness and examine the scriptures you present!" (Acts 17:11)
